

# WAO2023 International Workshop on Accelerator Operations

## Thursday, 14 September 2023

### Involving Operators in Accelerator Physics and Commissioning (09:00 - 10:30)

-Conveners: Montse Pont

time	[id] title	presenter
09:00	[17] OR17 - A Staged Approach to Beam Commissioning of Fermilab's PIP-II Accelerator	CRAWFORD, Darren
09:20	[18] OR18 - View points of beam commissioning of J-PARC Main Ring for safe and reliable operation	SATO, Yoichi
09:40	[19] OR19 - Development of an Automated Beam Loss Tuning Application in a High-Power Accelerator	ELLIOTT, Carrie
10:00	[20] OR20 - Introducing a new machine to an existing team	FACCHETTI, Alessandro
